## New: Peshitta Online

The Syriac translation of the Old Testament made on the basis of the Hebrew text during the second century CE is now available online. This online version is an important source for our knowledge of the text of the Old Testament, and also of great interest to linguists.

The present edition, is the first scholarly edition of this text, and presents the evidence of all known ancient manuscripts.

**Guide to International Environmental Law**

Authors: Alexandre Kiss and Dinah Shelton

*Guide to International Environmental Law* addresses why and how the international system elaborates environmental obligations and monitors compliance with them. The book discusses the relationship between international obligations and national and local law, with particular reference to federal systems. It points out the influence national law has on the emergence of international law and the gr

**Constitutionalisation of Private Law**

Series: Constitutional Law Library, Volume 2  
Editors: Tom Barkhuysen and Siewert Lindenbergh

All over Europe we witness a spectacular rise of the recourse to fundamental rights in debates on civil liability. This is part of a pervasive process of constitutionalisation, of private law in general and tort law in particular.
